Juri Lina -- Putin is a NWO Pawn

August 4, 2025

(Classic thumb on knuckle Masonic hand shake. That doesn't look like Putin)

"The Russian federation is governed by the same forces as USA"
The empire of of bandits that raged inside the Soviet union
was to continue in Russia. In reality, very little has changed
after the collapse of the communist block in December 1991,
Jüri Lina wrote on January 22, 2021

Disclaimer- Lina writes "The myth claims that NATO threatens Russia and wants to subjugate it.
This is a game for the galleries." Lina is naive. NATO used Ukraine to wage a proxy war against Russia.
But it is all a charade to justify WW3.

The "new" Cold War is just a hoax. Anyone who has not spoken to well-informed Russians will find it very difficult to form their own opinion on the situation in today's Russia. Most of the claims being spread in the West consist of Kremlin disinformation and even barefaced lies. The Western mass media suppress essential news from Russia. The country is in a zone of fog, about which they spread guesses and assumptions.

In reality very little has changed after the collapse of the Soviet Union in December 1991. The Western powers wanted the banditry that raged the Soviet Union to continue also in Russia after communism.

In essence, the state that arose in October 1917 has not disappeared somewhere, but has only changed color and shape. The USSR ceased to exist at midnight December 31, 1991. The United States, which had financed this empire, declared itself the winner after the Cold War. The Americans wrote the new constitution of Russia in 1993, in which Russian national interests was ignored. Organized crime was allowed to take over.

There were 1,500 U.S. advisers in the country in the years 1992-1994. It was the United States that was engaged in the privatization of Russian companies, this according to Vladimir Lisichkin, doctor of economics. 500 large companies, worth 200 billion dollars, were sold for 7.2 billion at the end of the year 1994. 30 percent of these enterprises went to foreigners.

The world's largest aluminum plant in Novokuznetsk was to be sold for $ 18 million, which quickly turned into 18 million rubles, a fraction of the original amount. The purchase price was to be paid in 5 years. The equipment alone was worth a billion dollars. ...The Russian ruble is issued by the Federal Reserve System. The Russian central bank was turn into a branch of the Federal Reserve System in New York.

According to *"Putin's Encyclopedia"* (Moscow 2006) by Nikolai Zinkovich, Vladimir Putin was discovered in 1990 by former US Secretary of State Henry Kissinger in St. Petersburg. Kissinger is a high-ranking Freemason and one of the leaders of the B'nai B'rith...

The myth claims that NATO threatens Russia and wants to subjugate it. This is a game for the galleries...

Former FSB agent Alexander Litvinenko shortly before his death.

Former FSB colonel Alexander Litvinenko investigated Putin's contacts with various criminal gangs in St. Petersburg, where he stole aid shipments and smuggled cocaine through the local harbour. GRU military intelligence agents Andrei Lugovoi and Dmitry Kovtun poisoned Litvinenko in England with the radioactive substance Polonium.

Kremlin has seen to it that one opposition politician after another has been killed. The latest politician to be injured but survive an assassination attempt, was opposition leader Alexei Navalny. FSB agents tried to poison him in an operation on August 20, 2020, when he was on an aircraft flying from Tomsk to Moscow. The Soviet nerve agent Novichok was used...

The writer Pavel Bondarovsky, who lives in France, told me that all his friends now have left Russia, which has become an impossible country to live in. My book about the secret history of the Soviet union, *"Under the Sign of the Scorpion",* is not allowed to be sold in Moscow. Not even in book shops here in Sweden, but it is freely sold in Estonia, Latvia, Finland, England, Holland and other countries.

Russia's economic decline was caused by the systematic embezzlement of state resources. According to Professor Chris Miller, the Russian economy of today is in deep stagnation (Foreign Affairs, March 13, 2019). Russian Prime Minister Medvedev admitted in Crimea on July 26, 2016, that the country was running out of money.

The year before, inflation was 15 percent. In 2019, 900,000 small businesses went bankrupt and at [the end of] december 2020, 70 percent of [Russias] small companies were gone. Official figures claim that by 2020, 13.5 percent, or 30 million Russians, will be poor. The number of scientific articles has constantly decreased, which proves that Russia is a developing country.

The Soviet Union in 1986 published 7.6 percent of the world's scientific articles. The figure was down to 5 percent in the mid-1990s Russia, and ten years later to 2 percent. In 2016, only 73,000 articles were published in Russia, while 602,000 articles in the United States, 471,000 in China, 183,000 in United Kingdom, 166,000 in Germany and 113,000 in France. (Anatoli Karlin, The Unz Review, 13 March 2018.)

Organized crime in Russia has taken root at the highest level. In 2016, Argentine police uncovered a large-scale drug smuggling [operation] [originated] from the Russian Embassy in Buenos Aires. After the police threatened to block the embassy, they was allowed into it on December 14, 2016. It emerged that since 2012, the first secretary of the embassy Oleg Vorobyov (FSB), had been sending cocaine from Buenos Aires to Moscow in diplomatic bags.

His partner, GRU officer Andrei Kovalchuk sometimes even used military transport aircraft [for the smuggling]. In the embassy's school, fully packed suitcases with 389 kg of pure cocaine were found. Kovalchuk was arrested in Germany. New cocaine seizures was again made by Argentine police at the Russian Embassy in 2018, this according to Moscow Times. According to several sources, Putin has his illegal money in Liechtenstein.

Regarding Putin and his motives to invade Ukraine, he off course had a legitime reason to put an end of Ukraine's 8 years of shelling of the Donbas region, but also reason to shield Russia itself from NATO expansion into a Ukraine hostile to Russia. Putin and his strategists would since years back have understod who was Russia's real enemys, ie. USA/NATO, as also recently USA have told that their goal is to weaken Russia to have a regime change in the country. There is the question why Putin waited 8 years after the US orchestrated Maidan coup, to try to stop the killing in Donbas. Did he neeed the time to build up Russia's military capability? Another question is if Putin was Glaspied in the same way Sadam Hussein was deceived by the American ambassador April Glaspie just before his invasion of Kuwait? An indication that Putin really might have jumped of the Globalist ship, is Henry Kissingers warning that it's time to try to bring peace in Ukraine, or else 20 years of Globalist winnings is in danger of backlash.

French Novelist "Celine" Condemned Jewish Takeover

August 3, 2025

Louis-Ferdinand Destouches, pen name Celine, (1894 -1961), a French physician,
is "considered one of the most influential writers of the twentieth century." - Wikipedia (http://en.wikipedia.org/wiki/Louis-Ferdinand_C%C3%A9line)

Celine was an outspoken "anti-Semite." His books are banned. His description of France in the 1930's provides perspective on the whole world today. Organized Jewry (Rothschild banking cartel) begins the third Masonic Jewish world war by pitting the two branches of Jewish Freemasonry -Communism (Left) and Zionism (Right) against each other. War is the pretext for killing millions of goyim whom they define as anyone who rejects their Luciferian tyranny, including assimilated Jews.

In this excerpt from his 1937 book *"Trifles for a Massacre,"* (https://dn720001.ca.archive.org/0/items/celine-louis-ferdinand-trifles-for-a-massacre-1937-2006/C%C3%A9line%2C_Louis_Ferdinand_Trifles_for_a_Massacre_1937%2C_2006.pdf) he maintains that Jewish power and influence is the only subject that matters. The fact that it's taboo indicates the takeover (facilitated by traitorous Freemasons) is complete. Was Celine a "hater" or, in fact, a patriot and realist?

"That which effectively characterizes "progress" in various societies, over the course of centuries, is the rise of the Jew to power, to all of the powers... All of the revolutions have given him an increasingly important status... The Jew who was less than nothing in the time of Nero, is in the process of becoming everything.."

(from Sept 1, 2012 and Feb 1, 2019)

Trifles for a Massacre, 1937 pp. 34-35
by Louis-Ferdinand Celine

(Edited by henrymakow.com)

In all candor, …those who have returned from Russia [are] full of details concerning inconsequential items while avoiding the essential: they say nothing about the Jew.

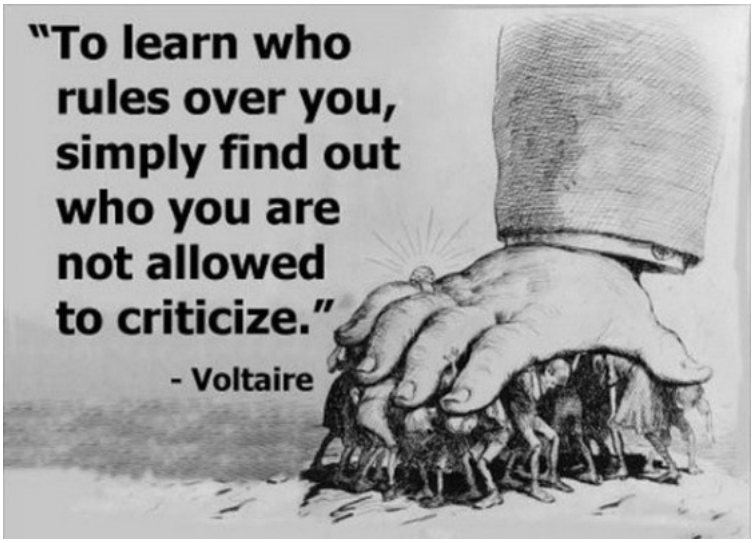
The Jew is a taboo in all of the books which they present us. Gide, Citrine, Dorgel's, Serge, etc., [his contemporaries] don't say a word about it...

Therefore they babble... They give the impression of having busted-up the violin, of having overturned the dish, but in reality they have broken nothing at all...

At the present time, the only important thing for the man of affairs, the literary intellectual, the film director, the financier, the industrialist, the politician (for whom this is most important) is not to run afoul of the Jews.

The Jews are our masters - here and there, in Russia, in England, in America, everywhere! ...Be the clown, the insurgent, the intrepid, the anti-bourgeois, the fierce righter of wrongs...the Jew doesn't give a damn! It is entertainment...Gibberings!

(left, the cause of antisemitism)



But don't touch upon the Jewish question, or you will be quickly put to the fire... Quick as a shot, you will be made to relent, one way or another...The Jew is the King of Gold, at the Bank and in Court... By proxy or in person. He owns everything...the Press...the Theater... the Radio...the Chamber of Deputies...the Senate...the Police...over here, and over there... The great inventors of the Bolshevik tyranny have elicited a thousand cries of horror... that is well understood.

They strike terror into the heart, yet are never, ever seen as pointing out the proliferation of Kikes, nor as adding-up to a global conspiracy... An odd blindness... (at the same time it is necessary to bone-up on Hollywood, its secrets, its intentions, its masters, its universal hype, its incredible market of world-wide stupefaction...

Stalin moreover is nothing but an executioner - of enormous scope, of course, thoroughly endowed with conspiratorial virtues, a Bluebeard for a Marshal, a formidable scarecrow, indispensable in Russian folklore...

But in the end nothing but a stupid executioner, a human dinosaur for the Russian masses who can be made to kowtow only at that price. But Stalin is only the executor of lowly deeds, and is very obedient, like Roosevelt or Lebrun, precisely, in cruelty. [Lebrun, French President (1932-40.)

Revolution is another story! Infinitely complex! Everything existing as structures within structures, and behind the scenes. And in that backstage are the Jews in command, the absolute masters. Stalin is only a front-man, like Lebrun, like Roosevelt, like Clemenceau.

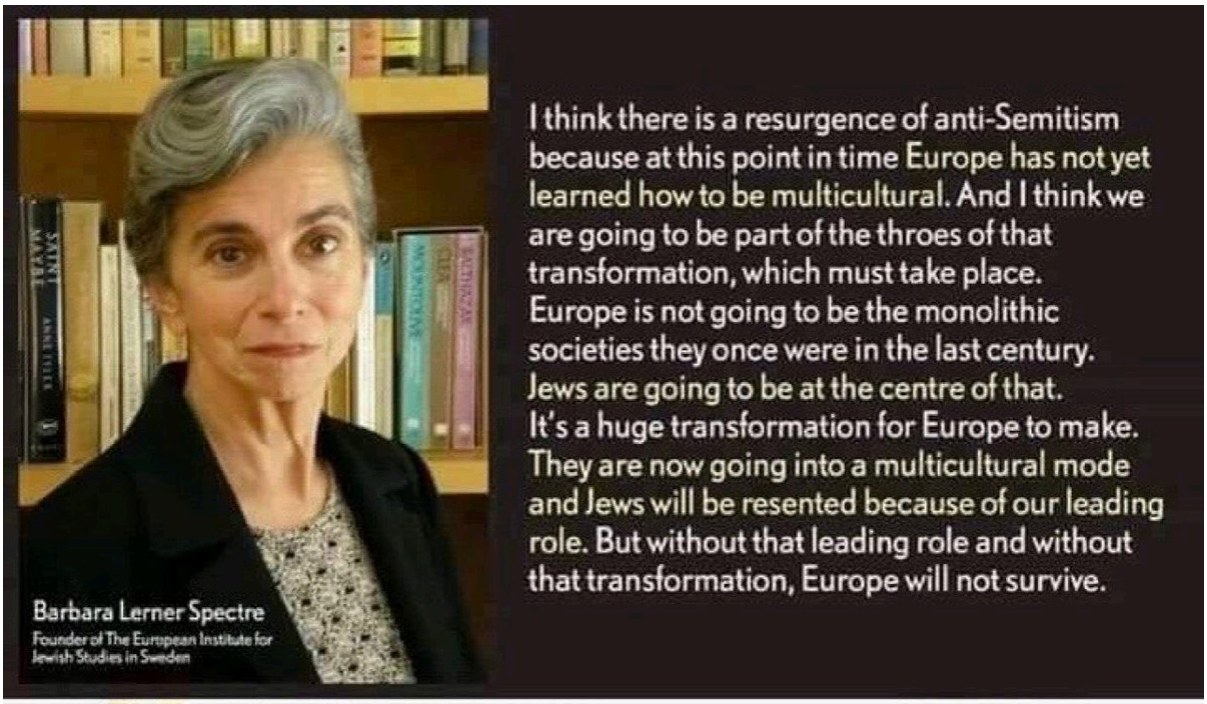
THE BOLSHEVIK REVOLUTION

The success of the Bolshevik Revolution can be understood, in its long run, only as having been of the Jews, for the Jews, and by the Jews... Kerensky competently prepared the way for Trotsky, who prepared the way for the current Comintern (Jewish), Jews in matter of sect and race, Jewish racists (as they all are), the armed circumcised avengers of the Jewish passion, of Jewish vindictiveness, of Jewish despotism. The Jews egged the wretched of the earth, those stultified by castle and clod, on to the assault on the Romanov citadel...and while they threw the slaves into the assault upon all that perturbed them, with armaments going off and things collapsing here, there and everywhere, those stultified by the clod, the hammer and the sickle, after a moment of drunken jabber, have quickly fallen back under new bosses, new bureaucrats and a new, increasingly Jewish, slavery.

That which effectively characterizes "progress" in various societies, over the course of centuries, is the rise of the Jew to power, to all of the powers... All of the revolutions have given him an increasingly important status... The Jew who was less than nothing in the time of Nero, is in the process of becoming everything.

In Russia, this miracle has been accomplished... In France, almost... How can it be recruited, and reformed into a Soviet of the USSR? With workers, manual workers (to the second generation, at least) as most enthusiastic Stakhanovites, and then the intellectuals, Jewish bureaucrats, exclusively Jewish... No more white intellectuals! The possibilities for white critics no longer

exist!... This is the prime directive implied in every Communist revolution. The Jews can remain in power only on the condition that all of the Party intellectuals be Jews, or at least be furiously Judaized...espoused to Jewesses, half- breeds, half- and quarter-Jews...(these latter are more rabid than the others...).



I think there is a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the centre of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role. But without that leading role and without that transformation, Europe will not survive.

For the sake of good form, various well-enstooged Aryan figures are tolerated, for the parade before foreigners... (genre Tolstoy) brought into perfect submission by favor and fear. All of the non-Jewish intellectuals, that is to say all of those who must not be communists, Jewish and communist being for me synonymous, have all been hounded to death...

Their conviction has been made! and strongly made! However nightmarishly disgusting one might find Russia, it nonetheless represents the setting into motion of the world revolution, the prelude to the great completely Jewish night! of Israel's great triumph!

You can sprinkle whatever you want over tons and tons of paper, concerning Soviet horrors, you can issue, wad-up, and strike your pages, but however much your pen attacks and labors with indignation, it will only make them laugh all the more...

They will find you increasingly blind and obtuse... When you proceed everywhere to proclaim that the USSR is a hell...you will still be wasting your breath...

But it will give them less pleasure when you proceed no longer to pretend, and that it is the Jews who are the devils of the new hell! and that all of the goys are the damned. But in spite of that effort at reclamation, you can be certain of the massive propaganda...(and the Ural mines are not yet exhausted)... It's a little more complicated when you sell-out on the party line, the Jewish

party line. In the end, it's a little bit more costly... That's all.

From Wikipedia:

Celine's literary legacy was characterized by a virulent antisemitism, racism and bigotry. His *Trifles for a Massacre,* is an endless litany critical of Jews and their influence on French society. Both The *School of Cadavers* and *The Fine Mess* contain antisemitic themes. These anti-Semitic books have been banned in France and have not been reprinted.

After Germany's defeat, Celine fled to Denmark (1945). Named a collaborator, he was convicted in absentia (1950) in France, sentenced to one year of imprisonment and declared a national disgrace. He was subsequently granted amnesty and returned to France in 1951.

Following his return from exile, he lamented his ruined reputation but never voiced regret for his antisemitic works, rather preferring to make additional statements of Holocaust denial, stating that "white Aryan Christian civilization" had ended with Stalingrad and that early in his life he had recognized the Jews as "exploiters."

In 2011, the 50th anniversary of Celine's death, Frederic Mitterrand the French Minister of Culture and Communication announced that Celine would be excluded from the a list of 500 French Culture Icons to be honored that year because of his antisemitic writings.

[**Makow Disclaimer** - *I certainly do not share Celine's pro-Nazi sentiments and holocaust denial. I do not believe Nazi intentions or behavior in Russia were honourable. The Illuminati Jewish bankers, based in London, were responsible for Hitler and the rise of Nazism as a form of false opposition (https://www.henrymakow.com/hitler_and_bormann_were_traito.html) designed to destroy Germany and resistance to their hegemony*.]

Henry,

Without the assistance of certain groups of the goy, traitors to their own, I submit it would be impossible for any small minority to be our masters everywhere. It has to be be a bigger number of traitors than just the freemasons…perhaps something big like the Catholic Church, for instance. It was totally corrupt before the Reformation, IMHO.

One more comment, people wouldn't live next door to cannibals. Its too dangetous.
If someone breaks the law, they need to be prosecuted and jailed…not honored. It shouldn't matter what their religion or race happens to be. A day of reckoning is coming.

Dan said (September 1, 2012):

Great literary figures like CÃ©line and Ezra Pound must be taken in the context of the era they lived in. France was notorious for "virulent antisemitism, racism and bigotry" as a national trait even after WW II. His Jewish conspiracy rants have to be taken in that context. Exclusion of CÃ©line form a list of French Icons that includes such wonderful humanitarians as the Maximilian Robespierre (architect of the Terror), Napoleon Bonaparte (death toll: 3.5 million Europeans), and the Marquis de Sade (popularized sexual sadism) is laughable, typical 'politically correct' pettiness. Frederick Mitterrand was one of the most vociferous defenders of Roman Polanski the child molester. This Mitterrand is also the nephew of the late Socialist president FranÃ§ois Mitterrand, who wrote in his biography 'The Bad Life': â€œI got into the habit of paying for boysâ€¦All these rituals of the market for youths, the slave market excite me enormously."

CÃ©line would have called these men criminals. Although he was an atheist, CÃ©line made his living as medical doctor and had scrupulous morals. He appreciated that the Church fathers at least never flattered 'Man' to be popular, the way the Communists did. In the quote below CÃ©line saw through Marxist / Masonic phony exultation of Man as nothing but a seduction to swap the Church for the State to be the new religion.

Jeffrey said (September 1, 2012):

I have been reading Celine for over 20 years, starting with "Journey to the End of the Night," which is a nightmarish classic that should be recommended reading for all. His other works have their moments, like "Death on the Installment Plan," "London Bridge" and "Guignol's Band" (very good), but "Journey" is considered his greatest.

His anti semitic writings I was not aware of. Even his official, long and detailed biography by Frederic Vitoux gives them only passing mention, noting their stream of consciousness and delirium, something of a Celine trademark.

Having read bits of "Trifles For a Massacre" online, they do seem over the top, but that's how he wrote, and there is truth in it. His widow had them buried and they remain so, unless you want them in French and are willing to pay $$$, then they can be ordered online.

It should be mentioned, if it wasn't, that Celine was a physician who often treated the poor pro bono. Nihilist, or just gruff and blustering humanitarian? I'll go with the latter.

Anyway, great article.

Prison transfer is a "tell"

Ghislaine Maxwell was transferred to a posh celebrity prison where there's less security, no guard towers, more blind spots, but also where there are several other well-known offenders.

Yesterday Ghislaine met with Deputy Attorney General Todd Blanche, who used to be Trump's private lawyer.
Here's how it's about to go down:
Ghislaine names a bunch of Democrats, maybe tosses in a few billionaires.
She says Trump did nothing wrong.
MAGA praises her for "taking down the pedophiles."
Trump pardons her... for "telling the truth."

This suggests she is going to be pardoned in exchange for lying about Trump's role in their Mossad-CIA sex trafficking operation. There is simply no way the Epstein Files can be released without discrediting the whole US political/business establishment which is bought and blackmailed by Israel.

Beneath the buster, the Us is losing the trade war

The more pertinent question is: Is the trade war restoring the health of the U.S. economy and bringing manufacturing jobs back home, as Mr. Trump said it would do? The answer is no.

(https://www.theglobeandmail.com/business/commentary/article-beneath-the-bluster-the-us-is-losing-the-trade-war/)

"This week's U.S. gross domestic product report showed that while U.S. growth rebounded from its first-quarter decline, it was merely due to a cyclical rebalancing of trade. So far this year, the economy has grown at an annualized rate of just over 1 per cent, a marked slowdown from the 2.8 per cent of the Biden administration's final six months.

New research shows that the already-modest share of the tariffs being absorbed by exporters has dropped to nearly nothing. So, when he boasts that other countries are going to pay higher tariffs than the United States, what he's really saying is that Americans will now be taxed more heavily than their trading partners.

This will soon begin to show up either in price rises and thus reduced consumption, or lower profits and thus reduced investment. Either way, the U.S. faces a substantial further drag on its already slowing growth.

EXCLUSIVE: UK Funeral Director Blows Whistle on Shocking COVID Clot Cover-Up | Daily Pulse

https://www.vigilantfox.com/p/exclusive-uk-funeral-director-blows (https://www.vigilantfox.com/p/exclusive-uk-funeral-director-blows)

"Young, seemingly healthy people are dying suddenly at home. No warning. No investigation. Just a death certificate and a body bag.
What embalmers are pulling from their veins is nothing short of horrific. These clots aren't rare. A global survey found them in 1 out of every 4 corpses--and they only started after the COVID shot rollout.

But here's the part no one saw coming: UK coroners are removing the clots before releasing the bodies--making sure families never see the evidence."

PALANTIR JUST TOOK OVER THE U.S. GOVERNMENT

https://x.com/HustleBitch_/status/1951320223098769452 (https://x.com/HustleBitch_/status/1951320223098769452)

ONE COMPANY. ONE SYSTEM. TOTAL SURVEILLANCE.

They just signed a $10B Army contract, one of DoD's biggest ever. Its AI already runs through 30+ federal agencies, from the FBI to ICE to HHS. It powers battlefield ops, police departments, immigration control, pandemic modeling and now, the Army's entire digital infrastructure. Its founder called it "the operating system for government."

Every piece of your life, your location, health, purchases, social media, all fed into one AI system designed to track you, profile you, and predict your next move.
Not for your safety. For their control.

The government being put under control by a privately owned company makes perfect sense once you realize that the UNITED STATES OF AMERICA is a privately owned corporation owned by the Bank of England. It has been a such since 1871 when the Act of 1871 was passed which redefined the former country as such (through a few small but extremely significant alteration to the constitution.) This was followed by establishment of a privately owned government for this corporation, the Federal Reserve and its board, in 1913. Since then that has been your true government puppeteering and manipulating the theatrical feux-democratic governance.

In that light, the "government" contracting a private company to install AI throughout its departments and agencies makes perfect sense. The owners are installing AI to tighten control and monitoring of the massive and perilous theater production of republic and democracy they've been running for over a century.

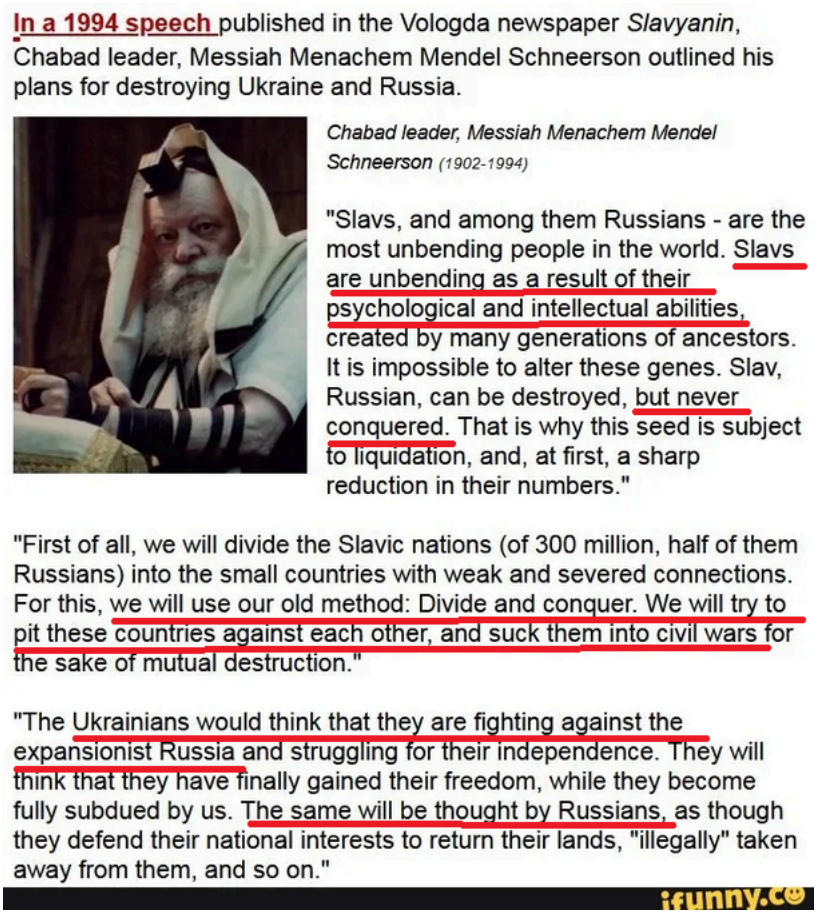
The Ukraine War is a Charade

August 2, 2025

(Menahem Schneerson was leader of Chabad, a Jewish supremacist cult, from 1951-1994.
Trump, Putin and Netanyahu are members.)

As the World War Three charade gathers steam (https://www.threeworldwars.com/albert-pike2.htm), remember all wars are designed to depopulate and kill goyim, *whom I define as non-Satanists*. This report supports



In a 1994 speech published in the Vologda newspaper Slavyanin, Chabad leader, Messiah Menachem Mendel Schneerson outlined his plans for destroying Ukraine and Russia.
Chabad leader, Messiah Menachem Mendel Schneerson (1902-1994)
"Slavs, and among them Russians - are the most unbending people in the world. Slavs are unbending as a result of their psychological and intellectual abilities, created by many generations of ancestors. It is impossible to alter these genes. Slav, Russian, can be destroyed, but never conquered. That is why this seed is subject to liquidation, and, at first, a sharp reduction in their numbers."
"First of all, we will divide the Slavic nations (of 300 million, half of them Russians) into the small countries with weak and severed connections. For this, we will use our old method: Divide and conquer. We will try to pit these countries against each other, and suck them into civil wars for the sake of mutual destruction."
"The Ukrainians would think that they are fighting against the expansionist Russia and struggling for their independence. They will think that they have finally gained their freedom, while they become fully subdued by us. The same will be thought by Russians, as though they defend their national interests to return their lands, "illegally" taken away from them, and so on."

the view that Putin is dragging his feet in order to kill more goyim, both Russian and Ukrainian. This is the reason Yevgeny Prigozhin and his Wagner Group rebelled in 2023. (https://abcnews.go.com/International/wagner-groups-rebellion-putin-unfolded/story?id=100373557)

by Rurik Skywalker
(henrymakow.com)

A couple of days ago Edward Slavsquat sent me a video to check out that summarizes a lot of the key points about how fake this war is and how bizarrely Putin is behaving if we still assume that he wanted to end this war as quickly as possible and with the least amount of bloodshed.

Don't be dismayed by the foreign looking runes -- the video has been dubbed over in English.

Here are the points that were raised:

Putin Has Not Taken Out Any Ukrainian Politicians or Propaganda Stations or Key Port Facilities or ...

Putin never targeted Ukrainian propaganda stations or communications network

Putin never targeted the highest political or military echelons of Ukraine

Putin never blew the bridges over Donbass

Putin never stopped sending energy and other raw materials across Ukraine to NATO, which just returns it to Ukraine

Putin never targeted the mobilization headquarters to prevent mobilization efforts

Putin never targeted the critical infrastructure of the port of Odessa, which keeps Ukraine armed and fueled

Putin nixed the navy's plans to take Odessa quickly in the beginning, from the initial successful blockade because ...

... Putin made the grain deal, lifting the blockade, allowing weapons and fuel and food to flow, after which, almost the entire Black Sea Fleet of Russia was systematically sunk with no reprisals

Putin has categorically denied multiple times that he ever uses body doubles.

Putin never targeted key military factories that refine oil, create machine lubricants and repair vehicles

Putin is fighting a war of attrition or "grinding", which ensures the maximum amount of death, because it is a WWI style meat-wave style conflict and not a WWII style war of positioning and breakthroughs and encirclements

Putin surrendered Kherson without a fight

This is a war with no clear goals, no desire to defeat the UAF, no strategy to starve them of the potential to keep fighting the war, only to get the maximum amount of people killed

This is very similar to what Strelkov was saying before his arrest. Riley covered that here:

https://edwardslavsquat.substack.com/p/39-questions-about-the-war-in-ukraine (https://edwardslavsquat.substack.com/p/39-questions-about-the-war-in-ukraine)

Some people are convinced by these simple questions and the lack of answers that Putin's government is able to provide to them. Others are more convinced by the fact that he has built 700 million-billion churches in Russia since coming to power thereby proving his good intentions and unimpeachable moral character.

We can't all have the same priorities, I guess.

The "International Conference for the Peaceful Settlement of the Question of Palestine and the Implementation of the Two-State Solution" ended on Wednesday, and it produced a blueprint for peace in the Middle East called "the New York Declaration". The following information about "the New York Declaration" comes from the official UN website...

The High-level International Conference for the Peaceful Settlement of the Question of Palestine and the Implementation of the Two-State Solution took place in New York from 28 to 30 July. The United States and Israel did not participate.

France and Saudi Arabia, co-chairs of the conference, called on all UN Member States to support a declaration urging collective action to end the war in Gaza and to achieve a just, peaceful and lasting settlement of the Israeli-Palestinian conflict.

Trump and Epstein were partners in an international Mossad-CIA sex trafficking-blackmail operation

Senator Ron Wyden (D-OR) revealed that four major banks flagged over $1.5 billion in suspicious transactions linked to Epstein. Specifically, his team identified 4,725 wire transfers totaling approximately $1.1 billion through one of Epstein's accounts at JPMorgan Chase, with additional hundreds of millions flowing through other banks, including Deutsche Bank, Bank of New York Mellon, and Bank of America. Some of these transactions involved accounts at Russian banks, which were later sanctioned, and were *correlated with the movement of women or girls, potentially tied to Epstein's sex trafficking activities.*

He's said to be deeply closeted though and his homosexuality is not well known. If you look at him and listen to him speak, you can see how homosexuality wouldn't be out of the question. He's a rather effete man.

Trump has absolutely been seen using cocaine. Our source who worked on *The Apprentice* observed him doing it once 2011. Trump may have also used Adderall for many years. He reportedly grinds it up and sniffs lines of it like coke.

Trump is widely reported to be incontinent

(https://youtube.com/shorts/FI70f0xvLLA?si=Mi5-9SQF9NoTkCyT) and has been for maybe 15 years. In other words, he shits his pants. He has to wear diapers for this reason. Supposedly he smells awful for this very reason and he frequently shits himself in public when other people are around. In some videos you can hear sounds coming from Trump that seem way too loud to be farts. They're more like tornado or hurricane style farts that seem to crop dust the whole room. Some people say the long-term Adderall use has made him incontinent but I'm not so sure about that.

Mary said (August 1, 2025):

As long as we continue to eat from and cling to the tree of the knowledge of good and evil, and broadcast it about, we will know no peace. God never wanted Adam's race to know or personally experience evil! That is why the fruit of that tree was forbidden him. Now, it is all we have in this life to inform us and keep us hopping! If our minds are zeroed into this realm alone, they will no know peace.

There is no way the good in man will ever overcome the evil in man....so our lives here on earth are all subjected to a continuing carousel ride of nonsense, year after year, as our own generational history has shown us. This was the tree man chose to partake of in the Garden, against God's express will and command. The result was man's separation from God, the source of all goodness, life, truth and beauty, and our loss of easy access to Him and His throne. Perhaps the mind of carnal man can rise no higher than this current fallen reality....

But there was another tree in the Garden, The Tree of Life. That tree symbolized Christ! We need to eat of the fruit of THIS TREE, and we are told that if we do, we will live forever! The fruit of this tree is not a merry-ground of human, earthly disasters, but one of everlasting peace, love, joy, patience, faith,

kindness, truthfulness, mercy, grace and virtue.....the nature of Our Creator God.

This means giving up all our already vain hopes for humanity to right itself one day....and acknowledging that there is no hope for us outside the Tree of Life; that there is simply no hope in MAN.

Which is pretty much the truth of our situation.....

You wouldn't know it from the MSM but the Ukraine war is intensifying. Russia is destroying Ukrainian airports used to receive Western supplies. They have captured many NATO officers

At the instigation of politicians and journalists, the idea that Russia's real goal is not Ukraine, but war with Germany and all of Europe, has become the dominant media thesis. It has become a

convenient justification for a large-scale reboot of the military-industrial complex and even discussions about the return of conscription.

4 people were killed at Blackstone headquarters in New York City, but media editors didn't notice their 'dead killer' photo from the '33rd floor' had a mistake showing it likely an AI fake.

One of those killed - female top 'Jewish philanthropist' and Blackstone executive (Ms) Wesley LePatner, was a ruthless exploiter who ran the operation buying hundreds of thousands of US homes for cash, and raising rents as high as 38%, helping grind America's young generation into economic poverty even if they have a job.

The official story is that the killer was targeting the 'National Football League' in the same building but 'took the wrong elevator', and killed 'random people'.

Here is the official photo of the '33rd floor office' where alleged killer Shane Tamura killed himself after killing others. Notice the desk in the lower left, it has a classic AI 'mistake'. There is a high marble shelf, and a wood shelf in front of the chair. But the wood shelf is impossible. On one side it is greatly LOWER than the marble shelf, and on the other side it merges with the marble at the same height.

Coordinated trauma campaigns, biological assaults, and media control are altering thought and behavior worldwide

This is part two of a three-part interview, hosted by Liz Gunn. Matthew Pauly and I examine the coordinated use of psychological warfare, toxic biological agents, and media manipulation during COVID. Fear, isolation, and propaganda conditioned the public for obedience, while experimental "vaccines" introduced spike proteins that may impair brain function. This fusion of psychological manipulation and bodily harm points to a deliberate assault on the world's population.

No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a Luciferian Initiation.
Lucifer comes to give to us the final gift of wholeness. If we accept it then he is free and we are free. This is the Luciferic initiation. It is one that many people now, and in the days ahead, will be facing, for it is an initiation in the New Age.
Graphic Quote by B Whalin

Left- Goyim must be destroyed. Goyim is a moral rather than racial standard. Assimilated Jews who reject Lucifer will aslo be guillotined.

"Only The Messiah Can Replace Netanyahu," Says PM's Brother-In-Law - The Blogging Hounds - Wow. It's out now.

Netanyahu's role is to introduce the Messiah (after he destroys the world)

"In a rare and theologically charged interview, Israeli Prime Minister Benjamin Netanyahu's brother-in-law declared that no one but the prophesied Messiah son of David is fit to succeed him. The statement, made by renowned Bible scholar Dr. Hagai Ben-Artzi, has ignited fierce debate in Israel and beyond--especially amid escalating war in Gaza and growing international calls for Netanyahu's resignation.

Ben-Artzi's framing of Netanyahu as a Messianic-level leader--irreplaceable until the arrival of a literal Messiah--raises profound concerns. In theological terms, it veers dangerously close to the deification of a political figure, something long warned about in both biblical prophecy and dystopian politics.

This rhetoric appears to be laying the groundwork for a new form of Israeli nationalism--one that blends hardline Zionism with apocalyptic expectations, effectively making Netanyahu a placeholder for the prophesied deliverer. This could pave the way for a false messiah figure, as warned in Matthew 24 and Revelation 13.

Hello,
Bibi's lineage is very easy to trace, and also his thoughts
His father was Jabo's secretary; Jabotinsky was sent by London to Salónique as a journalist at the beginning of the 20th century, where he was at the forefront of the Armenian massacre with the 'Young Turks'.
Jabotinsky->> Benzion , father of Bibi --->>>>bibi who had the 'good fortune' to be educated by his father, who died a centenarian (1910-2012).

All this is described in books written at the time

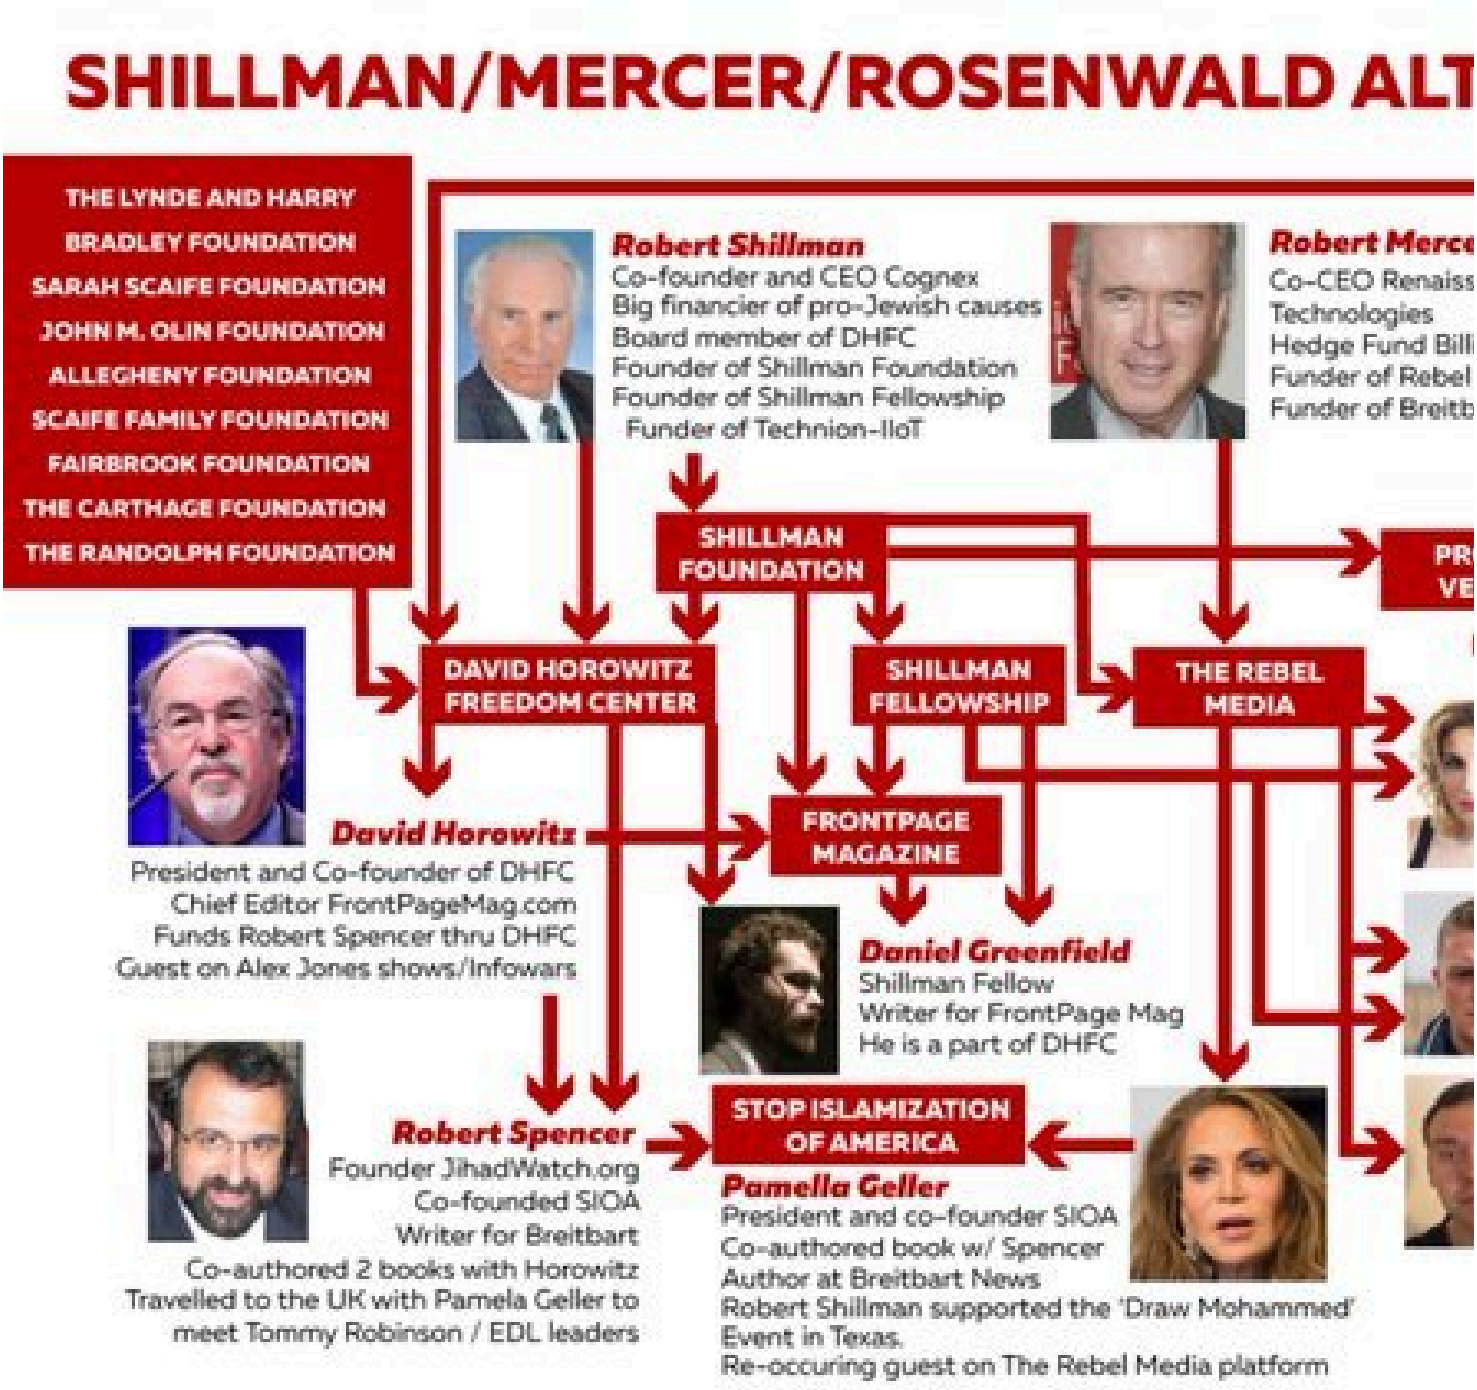
I worked as an Information Officer, in the Federal Election on April 28, 2025. I was at the - Dr Knox Ecole /School- Polling Station in Kelowna BC from 5:45 AM until 8:30 PM .

I want to put in writing what I witnessed:

1- Numerous voters , at least 50%, asked if they could use their pen, that they brought to vote. I said YES.
LATER- after the polls closed, I was then asked to, do the Tally. (Record the choice of vote on the ballot) As the Deputy Returning Officer called out the Name of The Candidate selected, I was to record it.

I noticed, None Of the ballots were in Pen. Only pencil. I know for a Fact, I sent most voters, that had a voting card, to desk # 17.

The total of votes tallied at desk #17 were the most of any other desk in the Polling Station. I asked my DRO why none were in pen. No answer offered.
These ballots were then put in an envelope and sealed. My signature is on record as I tallied the total.



2- I noticed many voters turned away that had proper ID. I talked with many to ask why they were refused as these voters were very upset and felt very concerned that they were refused. It turned out that an ENTIRE APARTMENT BUILDING on Valley Road was missing from Elections Canada Information. Meaning none of the residents had voter cards. Without the cards they needed to provide valid ID. Without PROOF OF The Building Existing, none of the occupants could vote, even with valid Passports, Drivers Licenses, morgage docs, rental agreements, bills ect. It was mindboggling to watch these people turned away. I brought each person to the supervisor to help them vote and the Supervisor said there was nothing they could do without without Election Canada approval.

3- Election Canada was not accessible most of the day. By the afternoon, no supervisor or senior officers could get through for any verification.

4- over 60% of voters were under 35 at this location. There were a handful of 70 year old and up. This was remarkable to see such a massive amount of youth. I lost count of how many youth told me it was their 1st Time voting Federally. I asked for stickers or anything to hand out. There was nothing for 1st time voters or children attending with parents.

5-One other Information Officer informed me, his wife was working at the head of Elections Office in the Landmark Building where all the Special Ballots were. These ballots were done very early and you wrote the Candidate name on the ballot. This was done for weeks. Other specail ballots are the mobile voting and mail in votes, ect. The ballots were not precounted. I spoke with this man after the polls closed and after we tallied to ask if his wife's still counting. He said they did not finish yet and that there was approximately 20,000 ballots. STRANGE that Kelowna called out a winner without that many ballots counted.

6- Many voters spent the day going from Polling Station to Polling Station trying to vote because the Election Canada website was not working so no one could troubleshoot all these oddities with missing voters cards and locations of Polling Stations based on the address of the voters.

7- I can assure all Canadians what I saw in only 1 poll would have a difference in the outcome of this riding. When an entire apartment building is missing, that is not a simple insignificant issue . Hundreds of voters are not counted and that will change the outcome of elections.

My experience is of only 1 poll, in 1 riding, in 1 city, in BC . If it happened here I'm safe to understand it happened in other places. That is one of endless reasons that Elections Canada was not reachable or web sites working for most of the day.

Very clear interference in the Voting Of eligible Voters witnessed today.

Manitoba Needs a New Conservative Party

The Manitoba Progressive Conservatives are in freefall -- and it's no accident. Once a party grounded in personal freedom, fiscal responsibility, and common sense, it has abandoned its roots to chase the approval of special interest groups, lobbyists, and political
insiders.

The recent leadership race was a disaster that confirmed the rot. Instead of learning from the elitist failures of the past, the party doubled down. Only 10,990 memberships were sold -- nearly half of the previous race. Just 6,750 ballots were returned. Wally Daudrich won the popular vote with 3,387 votes to Obby Khan's 3,334 -- a clear one-person, one-vote victory. But the PC establishment had already stacked the deck with a manipulated "points system," allowing Khan to seize victory by weighting small ridings heavier than large ones. In places like Steinbach, Daudrich's strong showing was diluted. Meanwhile, Khan's wins in low-turnout ridings like The Maples translated directly into points.

Even Premier Wab Kinew could see it coming. The fix was in.

The will of the membership was thrown aside in favor of what insiders wanted. The result? A deeply divided party, rapidly shrinking, financially strained, and morally compromised.

The scandals continue to pile up.

• Over $2 million in consulting contracts were quietly funneled to the PC's failed campaign manager, Marni Larkin, through daycare projects while the PCs were in government.

• The son of a major PC fundraiser was handed multimillion-dollar daycare construction contracts without competitive oversight.

• A campaign "car rental" expense turned out to be a hidden payment to a known sex coach.

• The Integrity Commissioner's pending report into the Sio Silica project looms over the party, with serious questions about attempted fast-tracking after electoral defeat.

• Now, the party's newly installed leader, Obby Khan, faces a $400,000 lawsuit from a former business partner alleging financial wrongdoing.

At the same time, the PCs -- led by figures like Khan -- are increasingly paralyzed in the face of street-level violence and campus protests where hatred toward Jews is openly displayed. They cannot -- or will not -- forcefully condemn the violent, hate-filled ideology taking root, because political Islam now lurks just beneath the surface of their new coalition.

This is no accident. Political Islam, dressed as a religion, has destabilized the Middle East and Europe -- and now it's creeping into Canada. It does not coexist with Western freedoms. It seeks to dominate them. And with figures like Khan at the forefront, the Manitoba PCs have placed themselves on the wrong side of history, unable to defend the very principles our civilization was built upon.

Unless the Manitoba Progressive Conservatives return to true conservative values -- courage, accountability, and loyalty to the people, not the elites -- they will not just lose power. They will lose their soul.

For true conservatives -- for those who still believe in protecting our freedoms, in honest leadership, and in standing unapologetically for the people -- there is a better choice: the Keystone Party of Manitoba.

The Keystone Party represents the future that the PCs abandoned: a movement built not for lobbyists or insiders, but for ordinary Manitobans who are tired of being sold out. It is the home for those who will no longer tolerate corruption, ideological drift, or moral cowardice.

If you believe in real conservatism, if you want real leadership with real accountability -- then it's time to walk away from the broken PC establishment and build something better.

It's time to come home. It's time to build Keystone.
